

Some Suggestions and Questions the Parent Can Ask the Teacher in the Conference:

- _____ What areas of schoolwork is my child strong in?
- _____ What areas of schoolwork does she/he need work in?
- _____ Do you think my child is working up to her/his abilities?
- _____ Does my child work better with other children or alone?
- _____ How do you grade your students?
- _____ What things can I do at home to help my child?
- _____ How much time should my child be spending on homework each night?
- _____ Do you think my child's homework could use some improvement?
- _____ What consequences do the children face when homework is late?

These are only suggestions. Please choose and prepare your questions before your conference. Remember there is a time limit, and other parents are waiting. Please be on time for your appointments.
